PART TWO

General Principles and Associate/ Undergraduate Programs

ARTICLE 5- International students to be accepted according to the directives governing application and admission shall study at the associate and undergraduate programs offered by the university. These can be either “day-time” programs (*Birinci öğretim- Turkish*) or “evening” programs (*İkinci öğretim- Turkish*) in which extra tuition needed to be paid...

Fee

ARTICLE 6- Tuition and fees of international students to be accepted to the programs in our university according to the directives governing application and admission are determined by Osmangazi University Executive Board in view of maximum and minimum amounts decreed by presidency every year.

Quota

ARTICLE 7-(1) The quotas to be allocated to associate and undergraduate programs to be accepted as foreign students, the quotas for international student admission for Medicine and Dentistry programs, provided that they do not exceed 50% of the quota of the previous year in the YKS guide, are taken into consideration by taking into account the recommendations received from the units, if any, together with special conditions. It is determined for the next academic year and notified to the Higher Education Council.

(2) According to the Higher Education General Assembly meeting dated 04.07.2019; the international student admission quota can not exceed 10% in the aforementioned fields (Faculty of Medicine, Dentistry, Law, and Education) for candidates with dual nationality, Blue cardholders, and Turkish citizens who have completed their entire high school education abroad (excluding K.K.T.C.), those whose nationality and one of their nationality is Turkish.

(3) If there are any programmes with no application or the ones that have not reached the full quota capacity, the remaining quotas can be transferred into other program quotas by the decision of the university senate. Quotas can only be transferred into the Faculty of Medicine, Dentistry and Law with the decision of the Higher Education Executive Board.–

Exams and Evaluation principles

ARTICLE 8- (1) Examinations that bear the features the selection of foreign students, the base score deemed appropriate for each exam, the entrance exam to be held by the University and their ratios in the general evaluation are determined by the University Senate and announced to the relevant institutions and organizations; It is also announced on the website of the Student Affairs Office of the University (www.oidb.ogu.edu.tr). The previous year's decision is considered valid unless the University Senate takes a new decision regarding the international student admission method.

(2) The evaluation of the students applying to the departments/programs requiring “Preregistration/Special Aptitude Exams” are conducted in accordance with the criteria given in the aforementioned exams.

The validity of exams

ARTICLE 9- (3) The period of validity of scores obtained in exams which are of the status of a high school exit exam (such as Abitur, International Baccalaureate, GCE, Tavvjihî, etc.) or high school graduation degrees/diplomas is unlimited; however, the validity of exams that bear the features of a university entrance exam (such as SAT, YÖS) is two years.

Applicants whose application that might be accepted

ARTICLE 10- Provided that they are in the last year of high school or graduated, the applications of eligible applicants within the scope of this directive willing to study at Eskişehir Osmangazi University will be accepted. These are

1) Foreign nationals
